Promoting
Cultural Awareness and Effective Communication for **Inclusive Success**

Who We Are

Mano Global Learning, LLC is a Columbus, Ohio-based training and advisory firm specializing in **intercultural communication,** language services, and Japanese business etiquette.

With over 20 years of expertise, we provide **tailored training** and **workshops** that empower organizations and their teams to thrive in diverse environments and **foster a sense of belonging for every team member**.

Our specialized workshops equip leaders and teams to navigate cultural complexities and **build inclusive workplaces and cultures**, while our onboarding support and corporate language training ensure smooth transitions for global professionals.

Whether you're looking to enhance internal communication or preparing for an international assignment, our expert team is here to support your success!
